

CHAPMAN'S®

Celebrating 50 Years

New look, same great taste!

Chapman's Original ice cream has been a Canadian tradition since 1973. In celebration of Chapman's Ice Cream entering its 50th year, we've headed back to our roots and revitalized our flagship line. The packaging has a fresh, new look and the product line has been renamed: **Markdale Creamery**.

Note: Packaging graphics update only; no UPC/SCC code change.
